

LUTHERAN LAY RENEWAL OF AMERICA PRESENTS

SPOT THE SPIRIT WORKSHOP

Featuring six **GROWTH** practices:

Go to God in worship and prayer
Receive his word for you
Opt for self-denial
Witness to your experiences
Trust God in a new venture
Humble yourself before God

The four sessions of teaching and small group discussion are:

- 1. Spotting the Spirit at Work in your Life**
- 2. Receiving the Spirit's Gifts and Fruit**
- 3. Growing in Closeness to God**
- 4. Building Up the Fellowship of the Spirit**

This workshop was designed by Lutheran Lay Renewal Board Member, the Rev. David Luecke, Ph.D.; pastor, psychologist and author. It normally runs from 9:00 to 3:00 on a Saturday. Pastor Luecke is the missions pastor of a large Lutheran church in the Cleveland area, where he has served for twenty-five years. He had an earlier career teaching organizational behavior in business schools and church management at Fuller Theological Seminary. He has long been interested in practical questions about how the Holy Spirit motivates and changes believers and congregations today.
